3 Days, 2 Nights Luxury Gorilla Flying Safari

Overview

This 3 Days Luxury Gorilla Flying Safari takes you to the home of half of the world's population of Mountain gorillas, Bwindi Impenetrable National Park. The park is made up of beautiful hills covered in greenery with thick impenetrable vegetation as the name states. You get to see many of the Virunga mountain ranges from the park.

The Mountain gorilla tracking experience lasts for at least an hour as you move in a group of only eight travellers plus professional game rangers and porters who help in carrying our luggage or backpack. The team of wildlife rangers will guide us through the Bwindi forest thickets until when we find a gorilla family that you can see, watch, take pictures and have a memorable time with. The trip is not hectic as the flight from Kajjansi to Kihikihi or Kisoro cut down on the long and bumpy ride from Kampala. Our safari jeep awaits from the airstrip to take you to your accommodation on the first day and back to the airstrip to fly back to Kajjansi or Entebbe Airport on the last day.
