After your early morning breakfast, our company driver/guide will meet with you at 7:00 am and will brief you on your 3 days Murchison falls wildlife safari Uganda package, then start-off with the 6 hours' drive to Uganda's biggest national park (Murchison falls National Park).

We shall have a stopover in Luwero District to pick a couple of fruits, like oranges, pineapples, passion fruits and or jackfruits. Then proceed for a 2 hours Rhino tracking at the Ziwa Rhino sanctuary, lunch at the Kabalega Dinners.

After lunch, we proceed to the Murchison falls National Park heading to the top of the mighty falls, walk and hike around. Check out and head to our lodge with an optional evening game drive or relaxation by the lodge or swimming pool.

Continue the drive as you savour the beautiful landscape while occasionally sighting warthogs and other wildlife species. The sightings at the top of the falls are breathtaking with about 300 - 400 cubic meters per second of Nile water force through a tiny gorge of about 7 meters to plunge into a violent tempest in a whirlpool about 42 meters below. It is such a beautiful sight with incredible picture moments here.

After the hike drive to your lodge and check in for dinner and overnight. And for all accommodations on the Northern bank, we shall have an evening game drive.

Day 2: Morning Game Drive through the park and Boat Ride on the Victoria Nile

After your early morning breakfast at around 6:30 am, our driver guide together with the game ranger picks you up at exactly 7:00 am for the early morning game drive. The early game drive is a better time for the great sightings of the nocturnal animals and hunters before they return to their hideouts as well as the early risers.

The Nile that crosses Murchison Falls National Park bisects it into the South and North sections. The North section is more endowed with game compared to the South. For that matter, the north is preferred for game drives. If your reserved lodge is found in the southern section, you will get to the ferry crossing to get on the Northern side for your game drive package.

Explore the major game trails especially around the area of Paraa for good game spotting including lots of elephants, lions, giraffes, antelopes, Jackals, hyenas, Uganda kobs, waterbucks, Jackson's Hartebeests and hopefully the elusive leopards among others.
